This is a Region 9 tournament. Mary-Ellen Stokes will be the acting Regional Director. There is **NO CROSSLISTING** of dogs. This tournament **does** count for regular class regional championship purposes. Jon Bescher will be our judge for the weekend. Tina Paugh (New River Rapids) will be judging some races as an Apprentice Judge.

Titles/Awards

Each club will receive a welcome gift bag. Self-serve ribbons. Please sign up dogs that earn NAFA titles during the weekend (and please only those that are earned at our tournament) on our posted sheets.

Friday Night Turf Time

We are offering "turf time" Friday evening, from 5:00 pm to 8:00 pm. Sign up sheet and info will be posted on MidAtlantic FB the week before the tournament. Cost will be \$5/5 minutes per lane, \$10 for both lanes.

Site

The tournament will be held at [Quicksilver Canine](#) in Julian, NC. The facility is heated/air-conditioned, and has room for indoor crating for everyone. Please use the crating space efficiently, do not block any entrances, be respectful of others, and PLEASE leave some space between clubs. There are electrical outlets every so often and you are welcome to share them. Please plan to tarp your entire crating area. You may drop off any boxes, crates, etc.,... after 3 pm and before 8 pm Friday night. Please pick up after your dogs; bags and containers will be provided. Please do not allow dogs to urinate on the building, on agility equipment outdoors, or on anything someone has to pick-up. Potty accidents on the turf carry a penalty of \$10.

Entrances/Parking/RV/Camping

Let's make sure you are parking on solid ground and avoiding places where you might get stuck. If you need help with parking, please see Amanda!

Please unload at front door (pink block), then proceed to RV/Car Parking area (yellow block). Depending on where you are crating indoors, a blue arrow door may be much closer to your crating area than through the front. There will be some front spaces available on a first come, first served basis, but please be considerate for those needing access to unload. Please do not block the road to the parking area.

RV camping – No hookups. No electricity. Generators OK. You can fill up your fresh water tank from the front of the building. Also, there are bathrooms inside (no showers) which are available for your use.

After a race has been run in a division no lineups may be changed for any reason in that division. PLEASE CHECK YOUR C.2 FORMS CAREFULLY. ONE DOG, ONE TIMESHEET (NO DOUBLE LISTING).
